Tadge sir, Mr. NL Patil sir

component And about

dam.

part of curriculum we arranged

a visit to a Gangapur Dam. The

Guided our students about the

structure, design, features of

TREE PLANTATION

PROGRAMME

about the environment

responsibilities about the

nature

In month of July we arranged

tree plantation programme of

our students to bring awareness

sustainability and to know their

HEAD OF DEPARTMENT DESK

It is a great pleasure and I feel honoured to be a part of the Third issue of e-magazine

of Department of Civil Engineering. This is one of the oldest departments of Government polytechnic Nashik. Its first batch passed out in 1983. Students have shown tremendous potential not only in academics but also in co-curricular and extra curricular activities.

Second year and third year students were also encouraged to present the paper in different domains of Civil Engineering.

For overall personality development apart from academic, co-curricular and extra curricular is the need of the hour. Students are encouraged to participate in inter and intra-college competition. All these activities help them in getting jobs in reputed companies. They are also admitted in institution of high repute for higher studies in India and abroad.

I congratulate all faculties, students and staff for their hard work in publishing emagazine that will represent the insight of Civil department.

Wishing them best of luck!

MEETINGS

Govt. Polytechnic, Nashik has registered the Alu Association of All Branches with following details. Assistant Registrar of Societics, Nashik Region, Nashik Alumni Association of Government Polytechnic Nashik Registration No. Nashik/0000037/2018 Day: 31st Day of March 2018

Department Activities

EDITORIAL BOARD

GURUPOURNIMA CELEBRATION

On 27 July 2018 on the occasion of Gurupournima our students celebrated the programme. Students invited all the faculty members. They celebrated this with joy and conduct a session which includes the speech of some students. They express their views about the faculty of civil department. On this event of Gurupournima we formed a core of committee of CESA.

YOGA DAY CELEBRATION

On 21st June 2018, on the

occasion of International yoga

Day, we celebrate it with our

students by practicing yoga.

pranayama and some fitness

शासकीय तंत्रनिकेतन नाशिक आंतरराष्ट्रीय योग दिवस

Students did meditation,

exercises
